CORRECTION FOR THE RECORD

For the record, please note that US Patent 6,480,097 was cited in an Information Disclosure Statement (IDS) filed with the original application. However, in that IDS, the name of the patentee was incorrectly recited as Bohm et al. Clearly the error was harmless, since the examiner, Edward Zee, considered the cited reference, as indicated by his initials on the IDS. However, for the sake of certainty, Applicant is filing this correction in order to state for the record that the patentee for US Patent 6,480,097 is Zinsky et al.
